FECEPTION AT THE FRENCH CONSULATE. The most brilliant social event of the present week the very charming reception held at the Erench Consulate on the evening of May 6th. There is no residence in the city more marked for the ease and elegance of its hospitalities or for the enjoyable character of its entertainments than this, and the result is at all times the very cordial acceptance (by invited guests) of the civilities so gracefu'ly dispensed, ensuring always an agreeable reunion of our most charming people. On Tuesday evening last this was conspicuously the case, and the recention given in compliment to guests from a distance was perhaps the most brilliant of the season. From every nock and corner of the spacious parlors a wealth of growing plants and floral decoration added to the beauty of the brilliantly illuminated rooms and in this charming atmosphere of grace and blooming beauty the pleasures of the evening but two soon became a memory of departed hours. Among the guests were many strangers (American and foreign), who could have no fairer picture of Virginia's capital "at home." or been themselves more favorably presented than as guest at the Vice Consulate. The Governor of Virginia also was conspicuous among the guests, the man above all others in Virginia whom the good and true throughout the tate delight to honor, and to greet as the representative of all we dare now claim or hope for in the future of our dear old State.-Rich. mond Transcript.

CANDIDATES.

[All announcements must invariably be paid for in advance. No notice will be taken of orders unless they are accompanied with the cash.] CITY SERGEANT.

TO THE PEOPLE OF ALEXANDRIA CITY.-I take this method of announcing myself a candidate for re-election to the office of City Sergeant. Two years ago you appointed me to fill this place in a manner so flattering to myself that I feel now, as I did then, that my best efforts could never discharge the obligations under which you have placed me. For that manifestation of your confidence and regard, I have labored to fulfill the duties of the office so that no one should regret the selection you then made, and, I hope I havedone so acceptably to all. If I have met your approbation in the past and should receive your endorsement again I can only pledge a continuance of the same official conduct in the future. I believe I have discharged my duties to the satisfaction of the court, the attornies, the juries and all others having business relations with the courts as well as to the attornies, the juries and all olders as well as to business relations with the courts as well as to business relations with the courts as well as to business relations with the courts as well as to business relations with the courts as well as to business relations make close connections.

North bound trains make close connections and all olders and all olders and as to business relations with the courts as well as to business relations with the courts as well as to business relations with the courts as well as to business relations with the courts as well as to business relations and in asking your renewed supcharged against me. I have always endeavored to act fairly, to make no distinction, to do no injustice to any one, and to be an impartial public officer. I, therefore, ask your undivided support in the approaching election, and, if it should be your pleasure to elect me, it will be mine always to faithfully subserve your truest in-

terests.

CARD-In view of the fact that the Con-A servative Committee have adopted the most arbitrary mode of procedure in the pending campaign, I have concluded not to subject my selfto this petty tyranny, but to submit my claims as an independent candidate to the people at

Believing that my honor is as unquestionable and my conservatism as true as those of many who profess to be the champions of the party, I have no hesitancy in making this step.

The idea of compelling the payment of the capitation tax as a qualification for suffrage at the primary election, was one whose absurdity alone excused its audacity; its foundation rested on no law or reason, and the committee did well to abandon it.

As to the colored voto, I think the last elec-tion, namely that which sent Messrs. Mushbach and Hunter to the Legislature, should be the ion for judging of the colored man's conservatism.

The Rebublican Committee of the United States have adopted the plan of reorganizing the republican party of the Southern States, and as our cry of condemnation, for the last fourteen years, has been that the colored man voted contrary to his and our own good, now of all times, is the hour to take them into our ranks.

Two hundred colored men nobly supported our er in the last contest, and yet they are ex-I sm no champion of the colored that I am an carnest advocate of justice. g to friends, as well as all sound thinkthe consider the propriety of this step, I proof an arregant imposition, and carnestly ask their support.

This state of course is made under the impres sion that the committee will exclude all colored conservatives, except such as best serve their C. F. MARKELL,
